

# Compliance Philosophy and Remedial Training

The purpose of this presentation is to provide a high level overview of the FAA Compliance Philosophy and related guidance. We will cover what the Compliance Philosophy is, why it was adopted and how the program is administered. We will also cover the Remedial Training Program and how the FAASTeam interacts with airmen or organizations who have accepted Remedial Training as a mitigating 'fix' to a regulatory deviation.

**Directions:** See attached map.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
